Law 34/2002 of 11 July concerning Information Society and Electronic Commerce Services and relevant Spanish legislation will be applied to any dispute that may arise. In any case, the user will attest to the veracity of the provided data; NEURONUP, S.L. reserves the right to exclude its registered services from any user who has supplied false data, notwithstanding other action proceeding from the Law.

INTELLECTUAL PROPERTY

NEURONUP, S.L. is the owner and/or licensee of all information contained on this Website, its graphic design, images, databases, indices, source codes, brands, and logotypes, being protected in conformance with that which is decreed in the Intellectual Property Law and in the Trademark Law.

Its availability and usage in no case constitutes the cession of ownership nor the concession of usage rights to the User; therefore, any and all reproduction, copy, total or partial distribution or marketing requires the prior written authorization of NEURONUP, S.L., the entity reserving, in the case of inappropriate Website use, the right to exercise those legal actions specified for the restitution of caused loss and damage, additionally obligating the user to compensate the entity for any damage or loss that could be incurred by the use of the Website which infringes upon these general conditions and/or legislation in force.

DATA PROTECTION POLICY

In fulfillment of that which is established in Organic Law 15/1999, of the 13th of December concerning Protection of Personal Data, it is hereby advised that the data provided form a part of archives that are the property of NEURONUP, S.L. Given the personal character of the data concerned, NEURONUP, S.L. promises to regard said data with strict confidentiality, keeping it secret. To this effect, the entity has elaborated and instituted a Security Document in conformity with Organic Law 15/1999 of the 13th of December Protection of Personal Data (henceforth LOPD) and Royal Decree 1720/2007 of the 21st of December, by which the Regulation for implementation of Organic Law 15/1999 of the 13th of December concerning the Protection of Personal Data was approved.

Its availability and usage in no case constitutes the cession of ownership nor the concession of usage rights to the User; therefore, any and all reproduction, copy, total or partial distribution or marketing requires the prior written authorization of NEURONUP, S.L., the entity reserving, in the case of inappropriate Website use, the right to exercise those legal actions specified for the restitution of caused loss and damage, additionally obligating the user to compensate the entity for any damage or loss that could be incurred by the use of the Website which infringes upon these general conditions

To best provide the services offered by NEURONUP, S.L., the user must answer each and every question which appears on the Webpage forms.

This data will be treated with strict confidentiality, enabling the ability to exercise rights to access, rectification, cancelation, and objection, communicated in writing and directed to the entity at the postal address indicated above.

The user will declare, in the case that the personal data of a third party is facilitated, to having the express consent of the said third party, and of having informing said third party of the content of the provided data, the origins of said data, the existence and purpose of the file containing this data, the possibility of exercising the right to access, rectification, cancelation and objection, as well as the identifying data of NEURONUP, S.L.

The automated processing of personal data solicited has the additional purpose of the maintenance, management, and administration of a contractual relationship, which, in its case, could initiate the delivery of commercial information in relation to current and anticipated products and services offered by NEURONUP, S.L.; this information includes marketing and promotional information via postal mail, fax, email or any other media.

The acceptance of this policy authorizes and grants consent to the cession of this personal data to other entities (banks, insurance companies, transportation companies, etc.) solely and exclusively when necessary for the provision of the solicited service.

If no evidence to the contrary is received within a thirty-day period from the acceptance of these conditions concerning the use of data for the purposes of commercial communication via the electronic proceedings, it will be understood as consent to said treatment, notwithstanding the right to process the revocation of said usage at any time by means of written communication addressed to the entity, NEURONUP, S.L.

LINKS, BANNERS

The inclusion of banners and links to other websites on the Website www.neuronup.com has a merely informative purpose; it is not considered that NEURONUP, S.L. recommends and/or guarantees said websites, over which it exercises no control, nor is responsible for their contents.

COOKIES

On occasion it is possible that technology called "cookies" may be used for the purpose of providing a series of personalized contents and/or services. A "cookie" is a small data component that a website may send to the user's internet browser program.

In turn, this component may be stored in the user's computer hard drive so that it is recognized when the Website is accessed. In any case, it is always possible for the user to specify preferences within the browser program used, indicating that a warning will be received before the user accepts any "cookies". The data stored within each "cookie" is as the following: date and time of the last access to the Website, design of contents chosen during the first visit to the Website and security elements which intervene and control access to restricted areas.
